

**Preparing your artwork for the template:**

- 1) Open this file in Illustrator
- 2) Insert image or images onto the layer marked “Artwork”.
- 3) Use one of the different layer options as a guide to position your art
- 5) Turn off all other layers than “Artwork” and save. (pdf, eps, ai)

**\*\*Outline any fonts that may be used in design.**

**\*\*Resolution of images at full size should not exceed 150 dpi.**
