

Table Throw

- Dye sublimated or screen-printed on Nylon or Poplin
- Photographic quality prints and/or PMS spot colors
- Includes protective Vinyl zippered bag

Available 6' collapsible folding table

Secure your table cover with clear, plastic table clips and ensure a secure fit. Recommended at 24" intervals.

Additional Product Information

Nylon- Durable, stiff material in a wide selection of stock colors

Poplin- Soft, wrinkle-resistant, flame-retardant fabric

Front Panel Print Only - Graphics are printed on front panel only, which is then sewn to a solid colored Nylon or Poplin. Please note that the front printed panel color may not be an exact match to the solid-colored nylon or poplin panels

All Panels Printed - Entire table cover is digitally dye sublimated. Images can be printed anywhere on the table cover.
